

About presenting posters

- We will provide you with a plastic poster stand that holds nine A4 papers in landscape position. You will receive a printed poster number (approx. 10x10cm) from us when you put your material on poster stand. The sizes of poster stand are:

- If you are presenting your own poster stand, please note that it will be complicated for us to put up poster stands with other sizes, so please follow the size 95x65 cm
- If you are not participating personally in our International Week, or you are arriving later than May 17th, please send your poster materials to gunnar@ttk.ee by May 3rd so that we can print them and put your poster up for May 17th. You can also send the poster material by post, our postal address is:
