Mission and Vision

■ **Mission**

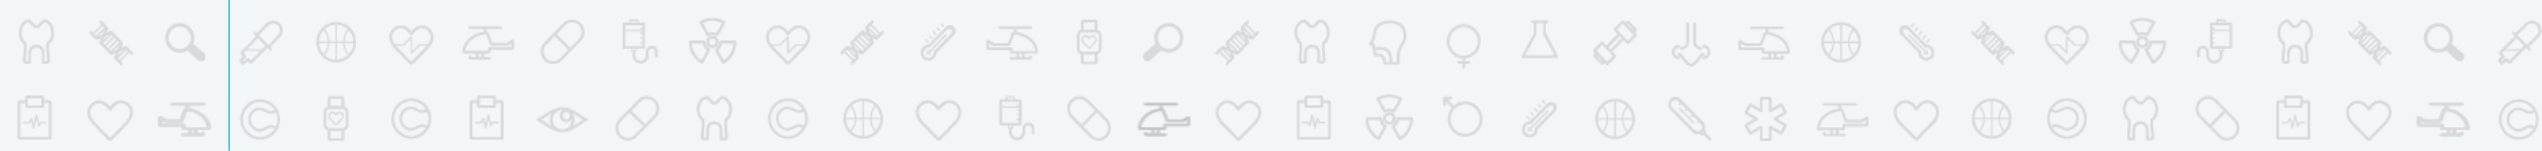

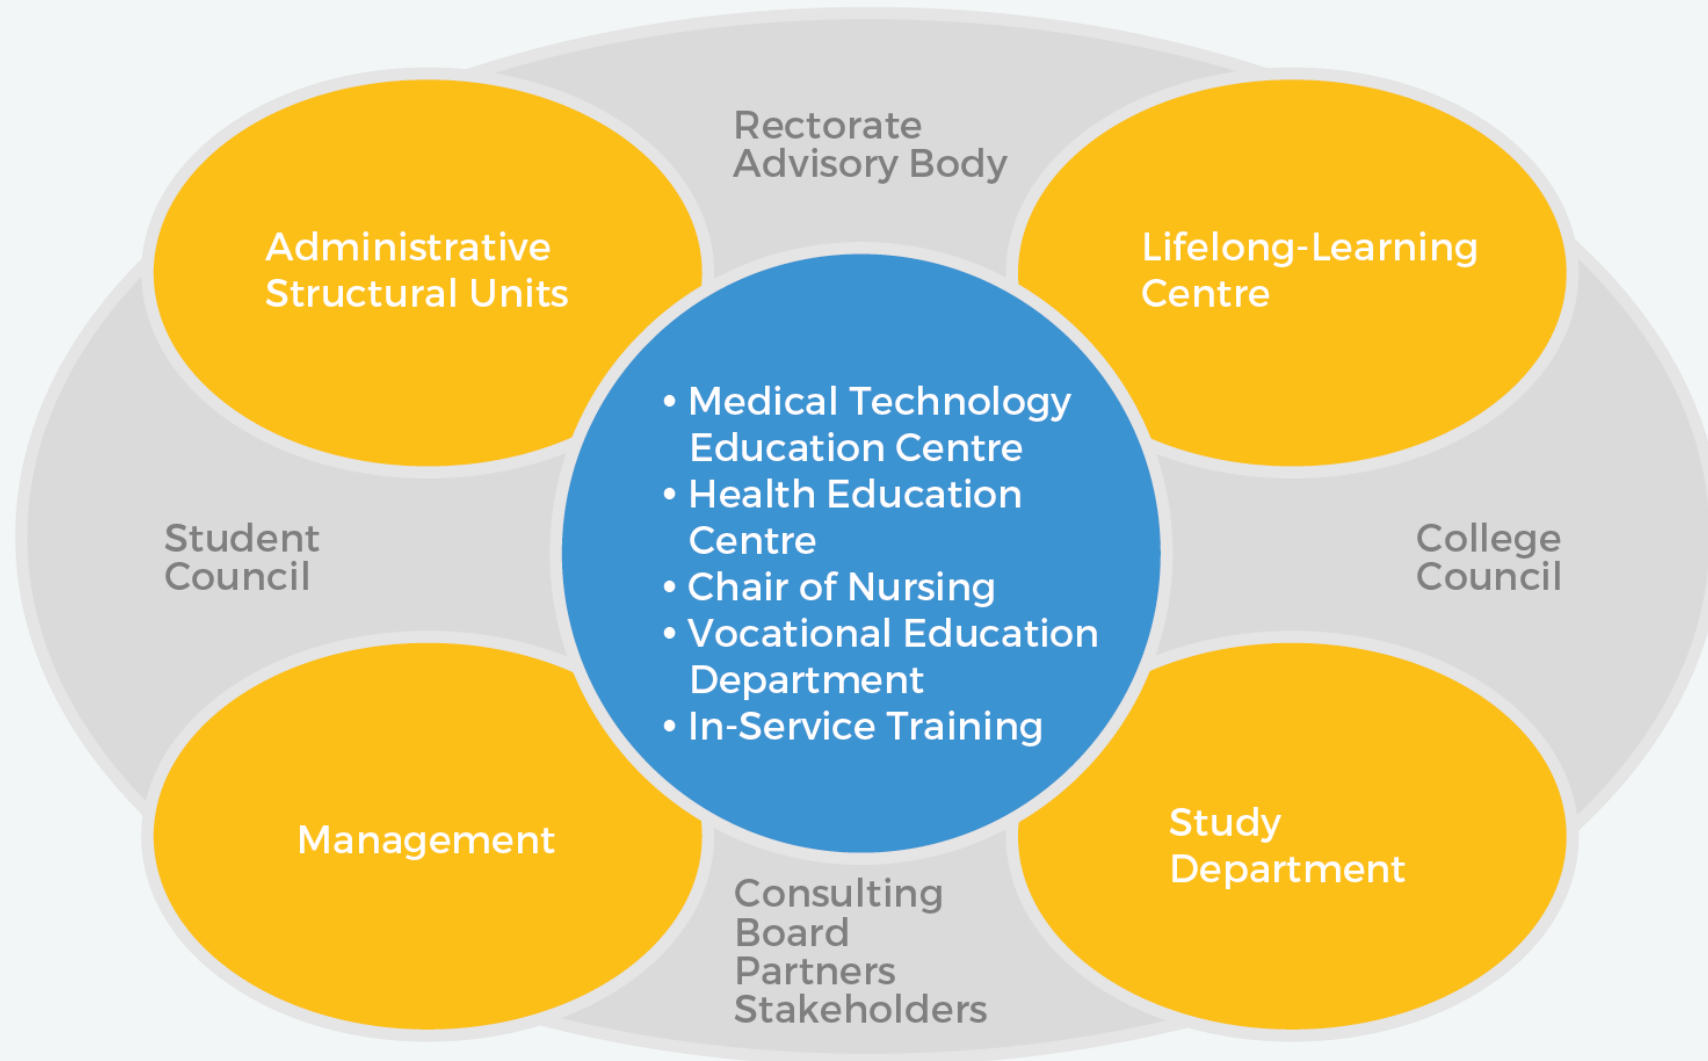

The College trains innovatively and critically thinking health professionals with technological competences.

■ **Vision**

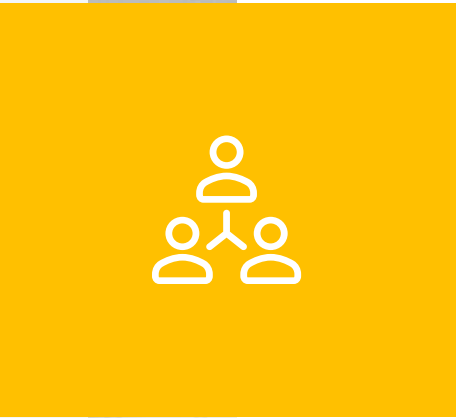

The College is in continuous development, nationally and internationally networked organisation, where, in collaboration with national and international partners and involving the learners, current challenges are addressed.

Structure

A close-up photograph of a light-colored, possibly white or light grey, V-neck shirt. The focus is on the upper chest area, showing the V-neckline and a rectangular chest pocket with a simple hemmed edge. The fabric appears smooth and slightly wrinkled. The background is out of focus, showing a person's arm in a dark sleeve.

-
- A full-page photograph of two scientists, a woman and a man, standing in a laboratory. The woman on the left is wearing a white lab coat, glasses, and has her hair in a ponytail. She is smiling and looking towards the camera. The man on the right is also wearing a white lab coat, has a beard, and is smiling. They are both standing in front of laboratory equipment, which is slightly out of focus in the background.
